

Helping patients and families live with memory loss.

Baptist Memory Care Center

400 Market Blvd., Suite 111

Collierville, TN 38017

baptistonline.org/memorycenter

Memory loss affects the entire family. Whether caused by Alzheimer's or other reasons, memory loss can leave families feeling unprepared.

At Baptist Memory Care Center, our outpatient clinic provides memory assessments and can open the doors to community resources, physician networks, and support services. With no referral needed, getting help starts with a phone call.

Call 901-227-1234 to schedule an initial visit.
